Where have you searched? EAST

Please attach citations of relevant art you have found.

What is the focus of this search? technicalities of a database system
Please include concepts, synonyms, keywords, definitions, strategies, in short anything that helps to describe the topic. Please attach a copy of the abstract and pertinent claims.

The abstract & claims 1 & 73 describe the invention.
It is a method of coding information into a
database for later recall. I have no idea how
common this may be. Key words can be taken
from the above mentioned 2 claims.
